From the Anden Stud

Well, another year has flown by and so much has been done in readiness for another Anden Stud sale. Our goal, come Sale day, is to offer the best genetics that will suit all buyers needs and strengthen the industry. We were delighted with last year's National record breaking Anden 150277 and wish all involved the very best. We also thank and congratulate previous buyers of Anden flock rams, who have had much success with lambs at market again this year.

In August, we returned to the Hamilton Sheepvention with both Anden and Kerangie Stud rams. We were thrilled to win Senior Champion White Suffolk Ram with Anden 160061 (lot 49). He even paraded the same as last year's winner Anden 150277...with attitude! We were also extremely happy to win the White Suffolk Lamb Production class, with Anden 160061 and 160015 (lot 48), which is what we are all about here at Anden.

We travelled to the 2017 Royal Adelaide Show in early September with a team of 2 Suffolk rams and 8 White Suffolk rams. Anden 160061 and 160015 placed second in the White Suffolk and in the Interbreed Trade Production classes, which again endorsed the Anden Stud goals.

We are very proud to present to you the 22nd Annual Anden Stud Sale. Once again we are extremely pleased with the rams and ewes we have on offer. This year we are proud to introduce the Kerangie Suffolk Ewes for the first time in the Anden Sale. Both the Suffolk and White Suffolk ewes have been specially selected on their elite attributes to their breed. The ewes on offer will also be on Auctions Plus, along with 30 specially selected White Suffolk rams. We understand time is precious and the distances travelled, we hope the Auctions Plus system will give all interested buyers the opportunity to be involved in the sale.

This year we will also be offering 42 Anden Ultra Whites, which is the new brand name for our EasyCare Composite rams. We have been working on the breed for the last seven years and we are now to the stage of marketing them as Ultra Whites. Lambing results from previous buyers are proving to support our aims with these rams. The ease of lambing with survivability at a record high; The low to moderate birth weights and the viability from birth is a serious positive. The easycare starts at birth! We are excited with the direction our breeding program is heading. Take the opportunity to try an Ultra White in your flock... you will not be sorry.

This year the sale is without our Poll Dorset Stud. Our energy has shifted towards the Ultra Whites, with the genetics from our Poll Dorsets playing a part in their development. We hope we haven't disillusioned those buyers with Poll Dorset backgrounds, but encourage them to try an Anden White Suffolk or Ultra White... knowing they will be pleasantly surprised come market day.

On a personal note, we would sincerely like to thank John Donnan. Prior to the start of last year's sale, John had it announced that he was selling his share in the Anden Stud to Joel. It was quite an emotional moment, as Joel stood in the sale ring, John leaned over the rail and shook his hand. John, now 86, has been involved in the Anden Stud from its conception in 1989. He has been a true support to our family, we appreciate his love for the land and dedication to the farm. Thank you John.

We look forward to seeing you at the Anden Stud on October 5th.

Regards, Andrew and Denita, Joel and Lauren

Flock History

Anden White Suffolks

The Anden White Suffolk Stud, Flock No. 91 was founded in 1989, by Andrew and John Donnan, using Suffolk ewes from Kerangie and Stone Haven studs. Sires have been introduced from top White Suffolk studs. Anden was built on a passion to provide the best genetics to breeders. Results at market reflect the enhancement that Anden rams have given to previous buyers.

We have had much success at the Royal Adelaide Show over the years and acknowledge the studs' achievements.

Anden Ultra Whites

2017 sees the mark of a new era, with the marketing of the Anden Ultra White Stud.

Andrew and Joel have been working on producing a consistent line of composite White Dorper/Poll Dorset cross rams since 2010. The aim being to produce an easy-care, shedding ram with low to moderate birth weights with a strong structure that are able to do well in any conditions. The breeding has come from the result of using high performance Dorper and Ultra White sires over our best performing Viewdale Poll Dorset ewes.

The "Easy-Care" criteria goal: Good fertility, Good milking and mothering instinct, low/moderate birth weights, good growth and sound structure, good muscling, high yielding carcass across medium-heavy weight carcasses, the right amount of fat, ability to maintain exceptional do ability and hardiness of the Dorper breed, good shedding ability.

**The transition from Anden Easy-care composites to Anden Ultra White is based on the Ultra White breed criteria, which clarifies the number of generations of cross breeding before registering as an Ultra White.

Kerangie Suffolks

In 2010 we re-activated the Suffolk Stud name Kerangie, Flock No. 2187. The history of the Suffolks is one of John Donnan's passions. John and his wife, Melva, founded the Kerangie Stud in 1971 and had many highlights and much success at shows. It is a privilege to bring the Kerangie Suffolk Stud back to Willangie.

To hit the ground running Andrew purchased Suffolk Ewes in lamb from the Burwood Stud. The Kerangie Stud is determined to maintain standards, with high performance and quality at the top of our agenda.

Viewdale Poll Dorsets

In 2008 Poll Dorsets were introduced into the Anden Sale. The Poll Dorset Stud, Viewdale, Flock No. 368 was founded and registered in 1960 by George and Stan Donnan. The Stud went into recess in the early 80's.

With a view to provide sheep breeders with the type of ram they wish to strengthen their breeding program, in 2006, Andrew decided to re-activate the Viewdale Poll Dorset Stud, once run by his grandfather and father. Originally purchasing Poll Dorset ewes from Wyndamah and Banyenong West. We endeavoured to set high standards with this breed, ensuring breeders would achieve greater lamb market returns.

With the introduction of the Ultra Whites, 2016 was the last time Poll Dorsets were sold in the Anden Stud sale.
