From the Anden Stud

Welcome to the 25th Annual On-Property Anden Stud Sale.

Once again, we are proud to present a top quality line up of rams and ewes, with 'Genetics You Can Count On'.

Our On-Property Auction will run with COVID-19 protocols in place and the AuctionsPlus system available for all sale lots. With travel restrictions throughout Australia, we are hoping the AuctionsPlus sale platform will give all potential buyers an opportunity to purchase from Anden Stud. Inspections prior to the sale are welcome and encouraged, by appointment.

Please note the revised starting time for the Sale is 12 noon.

What a year it's been! We are pretty certain that no-one will forget 2020 in a hurry. With COVID-19 restrictions being enforced since March, we have dedicate all of our spare time to the farm and our breeding programs. Make no mistake, there has definitely been no restriction on producing top quality genetics for the 2020 Anden Stud Sale.

Throughout the year, the lamb markets have had record breaking prices. It is gratifying to hear Anden sired progeny topping these markets. Congratulations to those flock ram buyers who have had much success with their lambs again this year. We are constantly evolving with the needs of producers and our goal has always been to produce the best rams and ewes that will strengthen the sheep industry.

For some years now we have been working on the new breed, UltraWhites. As we write this column, we are in the final stages of establishing the Australian UltraWhite Sheep Breeders Association. We are proud to be a foundation member and look forward to exciting times ahead with the breed and the Association.

This year we offer Kerangie Suffolk Stud Ewes, Anden White Suffolk Stud Ewes, Specially Selected White Suffolk Stud Rams and White Suffolk Flock Rams, followed by UltraWhite/UltraWhite Composite Rams and Kerangie Suffolk Stud Rams. All with outstanding LAMBPLAN figures, structural integrity and breed type.

We have missed the Show circuit this year and catching up to our stud sheep community. We hope all in the business are safe and well and look forward to seeing everyone again in 2021.

On a personal note, we would like to thank Ian Turner for his work with the Anden Stud for many years. Ian was our advertising agent, who is also a good friend of ours from within the stud industry. We thank Ian for his expertise, time and patience. We wish Ian and wife Wendy all the best in retirement and may your travel plans be back on track real soon.

In closing, we wish everyone well in these unprecedented times. We thank you for your interest in Anden Stud and look forward to seeing you on October 1st.

Kind regards,

Andrew & Denita, Joel & Lauren and Trent & Brigitte.

Flock History

Anden White Suffolks

The Anden White Suffolks, Flock No. 91 was founded in 1989, by Andrew and John Donnan. Initially using Suffolk ewes from Kerangie and Stone Haven Studs and have built a sire base, introduced from top White Suffolk Studs and breeding elite Anden White Suffolk rams. In 2016 John (86) sold his share of the Stud to Joel Donnan. Joel grew up on the farm and has worked full time since 2011. Joel's sheep knowledge and insight will be instrumental to the Anden Stud's future.

Anden was built on a passion to provide the best genetics to breeders and continues to strive for excellence. Results at market reflect the enhancement that the Anden rams have given to previous buyers. We have had much success at the Royal Adelaide Show over the years and acknowledge the Stud's achievements.

Anden UltraWhites

2017 saw the mark of a new era, with the marketing of the Anden UltraWhite Stud.

Andrew and Joel have been working on producing a consistent line of composite White Dorper/Poll Dorset cross rams since 2010. The breeding has come from the result of using high performance Dorper and UltraWhite sires over our best performing **Viewdale Poll Dorset** ewes.

The UltraWhite criteria goal: Good fertility, good milking and mothering instinct, low/moderate birth weights, good growth and sound structure. Good muscling, high yielding carcass across medium-heavy weight carcasses, the right amount of fat, ability to maintain exceptional do ability and hardiness of the Dorper breed, good shedding ability.

****The transition from Anden UltraWhite Composites to Anden UltraWhite is based on the UltraWhite breed criteria, which clarifies the number of generations of cross breeding before registering as an UltraWhite..**

Kerangie Suffolks

The History of the Suffolks is one of John Donnan's passions. John and his wife, Melva, founded the Kerangie Stud in 1971 and had many highlights and much success at shows.

In 2010 Andrew re-activated the Suffolk Stud name Kerangie, Flock No. 2187. Andrew initially purchased Suffolk Ewes in lamb from the Burwood Stud. The Kerangie Stud is determined to maintain standards, with high performance and quality at the top of our agenda.

Viewdale Poll Dorsets

In 1960 George and Stan Donnan founded and registered the Viewdale Stud, Flock No. 368. This Poll Dorset Stud went into recess in the early 80's. In 2006 Andrew re-activated the Stud, which was once run by his grandfather and father.

With the introduction of the Ultra Whites, 2016 was the last time Poll Dorsets were sold in the Anden Stud Sale.

The genetics from the Viewdale Poll Dorset Stud have played a huge part in the development of the Anden Ultra Whites breeding program. We hope we haven't disillusioned those buyers with Poll Dorset backgrounds, but encourage them to try an Anden White Suffolk or an Ultra White... knowing they will be pleasantly surprised come market day.
